Geography, written in partnership with the Geographical Association. Encourage students to make links between case studies and their own local contexts as well as exploring the core themes and skills of the 0460

syllabus in the context of global case studies and processes. Prepare for exam success with full coverage of the core themes of Paper 1 (Population and Settlement, The Natural Environment, Economic Development and the Use of Resources) as well as the geographical and fieldwork skills elements of Papers 2, 3 and 4.

Help students focus on achieving the best grades with excellent exam support for each Paper, with exam-style questions, answers at different levels and accompanying comments. Be confident in the content and approach - this resource is written by highly experienced Geography teachers, consulted edited by a CIE Principal Examiner, and produced in partnership with the UK Geographical Association - the home of best practice in Geography teaching.

The Harriman Alaska Expedition of 1899 John J. Michalik 2021-08-11 In 1899, one of America's wealthiest men assembled an interdisciplinary team of experts--many of whom would become legendary in their fields--to join him, entirely at his expense, on a voyage to the largely unknown territory of Alaska. The Harriman Expedition remains unparalleled in its conception and execution. This book follows the team closely: where they went, what they did, and what they learned--including finding early evidence of glacial retreat, assessing the nature and future of Alaska's natural resources, making important scientific discoveries, and collecting an astonishing collection of specimens. A second thread involves the lives and accomplishments of the members of the party, weaving biographical strands into the narrative of the journey and the personal experiences they shared. This is the first comprehensive, scholarly treatment of the Harriman Alaska Expedition since the 1980s. It features the diaries, letters home, and post-Expedition writings, including unpublished autobiographies, generated by the members of the party.
