**Shooter's Bible and Gun Trader's Guide Box Set** Jay Cassell 2016-10-18 Now available in one special set, the bestselling must-have reference book and one-stop guide to buying new and collectible firearms. Previously published as two separate reference guides, Skyhorse Publishing is packaging its bestselling Shooter's Bible and Gun Trader's Guide together for the first time. Now, gun enthusiasts can see the specs and photos of brand-new and currently produced firearms as well as information and market prices for collectible firearms with one purchase. Published annually for more than eighty years, the Shooter's Bible is the most comprehensive and sought-after reference guide for new firearms and their specifications, as well as for thousands of guns that have been in production and are currently on the market. The 108th edition also contains new and existing product sections on ammunition, optics, and accessories, plus updated handgun and rifle ballistic tables and extensive charts of currently available bullets and projectiles for handloading. For more than half a century, the Gun Trader's Guide has been the standard reference for collectors, curators, dealers, shooters, and gun enthusiasts. Updated annually, this thirty-eighth edition boasts dozens of new entries since last year's edition and includes a complete index and a guide on how to properly and effectively use this book in order to find the market value for your collectible modern firearm. No matter what kind of modern firearm you are interested in, the Shooter's Bible and Gun Trader's Guide Box Set is the perfect all-in-one source of information.
