The Zones of Regulation Leah M. Kuypers 2011 "... a curriculum geared toward helping students gain skills in consciously regulating their actions, which in turn leads to increased control and problem solving abilities. Using a cognitive behavior approach, the curriculum's learning activities are designed to help students recognize when they are in different states called "zones," with each of four zones represented by a different color. In the activities, students also learn how to use strategies or tools to stay in a zone or move from one to another. Students explore calming techniques, cognitive strategies, and sensory supports so they will have a toolbox of methods to use to move between zones. To deepen students' understanding of how to self-regulate, the lessons set out to teach students these skills: how to read others' facial expressions and recognize a broader range of emotions, perspective about how others see and react to their behavior, insight into events that trigger their less regulated states, and when and how to use tools and problem solving skills. The curriculum's learning activities are presented in 18 lessons. To reinforce the concepts being taught, each lesson includes probing questions to discuss and instructions for one or more learning activities. Many lessons offer extension activities and ways to adapt the activity for individual student needs. The curriculum also includes worksheets, other handouts, and visuals to display and share. These can be photocopied from this book or printed from the accompanying CD."--Publisher's website.

There Was a Country Chinua Achebe 2012-09-27 From the legendary author of Things Fall Apart comes this long-awaited memoir recalling Chinua Achebe's personal experiences of and reflections on the Biafran War, one of Nigeria's most tragic civil wars Chinua Achebe, the author of Things Fall Apart, was a writer whose moral courage and storytelling gifts have left an enduring stamp on world literature. There Was a Country was his long-awaited account of coming of age during the defining experience of his life: the Nigerian Civil War, also known as the Biafran War of 1967-1970. It became infamous around the world for its impact on the Biafrans, who were starved to death by the Nigerian government in one of the twentieth century's greatest humanitarian disasters. Caught up in the atrocities were Chinua Achebe and his young family. Achebe, already a world-renowned novelist, served his Biafran homeland as a roving cultural ambassador, witnessing the war's full horror first-hand. Immediately after the war, he took an academic post in the United States, and for over forty years he maintained a considered silence on those terrible years, addressing them only obliquely through his poetry. After years in the making There Was a Country presents his towering reckoning with one of modern Africa's most fateful experiences, both as he lived it and came to understand it. Marrying history and memoir, with the author's poetry woven throughout, There Was a Country is a distillation of vivid observation and considered research and reflection. It relates Nigeria's birth pangs in the context of Achebe's own development as a man and a writer, and examines the role of the artist in times of war. Reviews: 'No writer is better placed than Chinua Achebe to tell the story of the Nigerian Biafran war ... [The book] makes you pine for the likes of Achebe to govern ... We have in There Was a Country an elegy from a master storyteller who has witnessed the undulating fortunes of a nation' Noo Saro-Wiwa, Guardian 'Chinua Achebe's history of Biafra is a meditation on the condition of freedom. It has the tense narrative grip of the best fiction. It is also a revelatory entry into the intimate character of the writer's brilliant mind and bold spirit. Achebe has created here a new genre of literature' Nadine Gordimer 'Part-history, part-memoir, [Achebe's] moving account of the war is laced with anger, but there is also an abiding tone of regret for what Nigeria might have been without conflict and mismanagement' Sunday Times About the author: Chinua Achebe was born in Nigeria in 1930. He published novels, short stories, essays, and children's books. His volume of poetry, Christmas in Biafra, was the joint winner of the first Commonwealth Poetry Prize. Of his novels, Arrow of God won the New Statesman-Jock Campbell Award, and Anthills of the Savannah was a finalist for the 1987 Booker Prize. Things Fall Apart, Achebe's masterpiece, has been published in fifty different languages and has sold more than ten million copies. Achebe lectured widely, receiving many honors from around the world. He was the recipient of the Nigerian National Merit Award, Nigeria's highest award for intellectual achievement. In 2007, he won the Man Booker International Prize. He died in 2013.

Chinua Achebe Jago Morrison 2016-05-16 Chinua Achebe has long been regarded as Africa's foremost writer. In this major new study, Jago Morrison offers a comprehensive reassessment of his work as an author, broadcaster, editor and political thinker. With new, historically contextualised readings of all of his major works, this is the first study to view Achebe's oeuvre in its entirety, from Things Fall Apart and the early novels, through the revolutionary Ahiaara Declaration - previously attributed to Emeka Ojukwu - to the revealing final works The Education of a British Educated Child and There Was a Country. Contesting previous interpretations which align Achebe too easily with this or that nationalist programme, the book reveals Achebe as a much more troubled figure than critics have habitually assumed. Authoritative and wide-ranging, this book will be essential reading for scholars and students of Achebe's work in the twenty-first century.

FIREARM SAFETY CERTIFICATE - M California Department of Justice 2016-12-01 The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..

Home and Exile Chinua Achebe 2000-07-27 Chinua Achebe is Africa's most prominent writer, the author of Things Fall Apart, the best known--and best selling--novel ever to come out of Africa. His fiction and poetry burn with a passionate commitment to political justice, bringing to life not only Africa's troubled encounters with Europe but also the dark side of contemporary African political life. Now, in Home and Exile, Achebe reveals the man behind his powerful work. Here is an extended exploration of the European impact on African culture, viewed through the most vivid experience available to the author--his own life. It is an extended snapshot of a major writer's childhood, illuminating his roots as an artist. Achebe discusses his English education and the relationship between colonial writers and the European literary tradition. He argues that if colonial writers try to imitate and, indeed, go one better than the Empire, they run the danger of undervaluing their homeland and their own people. Achebe contends that to redress the inequities of global oppression, writers must focus on where they come from, insisting that their value systems are as legitimate as any other. Stories are a real source of power in the world, he concludes, and to imitate the literature of another culture is to give that power away. Home and Exile is a moving account of an exceptional life. Achebe reveals the inner workings of the human conscience through the predicament of Africa and his own intellectual life. It is a story of the triumph of mind, told in the words of one of this century's most gifted writers.

Approaches to Teaching Achebe's Things Fall Apart Bernth Lindfors 1991 A collection of essays offer various approaches to teaching Chinua Achebe's "Things Fall Apart" by such writers as Ashton Nichols, Simon Gikandi, and Hunt Hawkins.

Mistakes Were Made (but Not By Me) Third Edition Carol Tavris 2020-04-28 A NEW EDITION UPDATED IN 2020 • Why is it so hard to say "I made a mistake" -- and really believe it? When we make mistakes, cling to outdated attitudes, or mistreat other people, we must calm the cognitive dissonance that jars our feelings of self-worth. And so, unconsciously, we create fictions that absolve us of responsibility, restoring our belief that we are smart, moral, and right--a belief that often keeps us on a course that is dumb, immoral, and wrong. Backed by decades of research, Mistakes Were Made (But Not by Me) offers a fascinating explanation of self-justification--how it works, the damage it can cause, and how we can overcome it. Extensively updated, this third edition has many recent and revealing examples, including the application of dissonance theory to divisive social issues such as the Black Lives Matter movement and he said/she said claims. It also features a new chapter that illuminates how cognitive dissonance is playing a role in the currently polarized political scene, changing the nation's values and putting democracy itself at risk. "Every page sparkles with sharp insight and keen observation. Mistakes were made--but not in this book!" --Daniel Gilbert, author of Stumbling on Happiness "A revelatory study of how lovers, lawyers, doctors, politicians--and all of us--pull the wool over our own eyes . . . Reading it, we recognize the behavior of our leaders, our loved ones, and--if we're honest--ourselves, and some of the more perplexing mysteries of human nature begin to seem a little clearer." --Francine Prose, O, the Oprah Magazine

A Man of the People Chinua Achebe 2016-09-30 From the renowned author of The African Trilogy, a political satire about an unnamed African country navigating a path between violence and corruption As Minister for Culture, former school teacher M. A. Nanga is a man of the people, as cynical as he is charming, and a roguish opportunist. When Odili, an idealistic young teacher, visits his former instructor at the ministry, the division between them is vast. But in the eat-and-let-eat atmosphere, Odili's idealism soon collides with his lusts--and the two men's personal and political tauntings threaten to send their country into chaos. When Odili launches a vicious campaign against his former mentor for the same seat in an election, their mutual animosity drives the country to revolution. Published, prophetically, just days before Nigeria's first attempted coup in 1966, A Man of the People is an essential part of Achebe's body of work.
